

Adverse Weather Learning

Here are some tasks and challenges for you to complete while you are learning at home due to the weather.

Science

Write the weather forecast for the next week, find the forecast for your local area, and for school - what do you notice?

Forecast for _____.

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday

What did you notice?

Storytelling

Read a range of winter-themed stories. You can find each of the following on You Tube.

Watch the story...	Draw a picture of your favourite part of the story...	Tell me what the story was about...
 Stick Man by Julia Donaldson		
 Over and Under by Kate Messner		
 The Snow Thief by Alice Hemming & Nicola Slater		
 The Snow Dragon by Abi Elphinstone & Fiona Woodcock		

Challenge:

Retell your favourite story in your own words, you could draw a story map to help you to remember the story. You could also film yourself and send your video to your tutor!

Maths

Count how many white, round or winter-related items you can find in your home or garden. Complete the table below!

D&T

Have a go at building a snowman using anything you can find at home! You could use boxes, toilet rolls or socks to make your creation!

English

Write a diary entry for each day you are at home. Here is an example:

Dear Diary,

Today it snowed a lot! The garden was all white.

I went outside to play and the snow was really cold on my hands. I made a big snowman. I called him Steve! He had a red hat and stick arms. I threw a snowball at Mum. She laughed! Then I went inside for hot chocolate. It was sweet and warm. It made me feel so happy.
