

Summer Term 2

Newsletter

A lovely end of year message from one of our parents...

I just wanted to take the opportunity to also thank everyone for their support and patience with my child for another year.

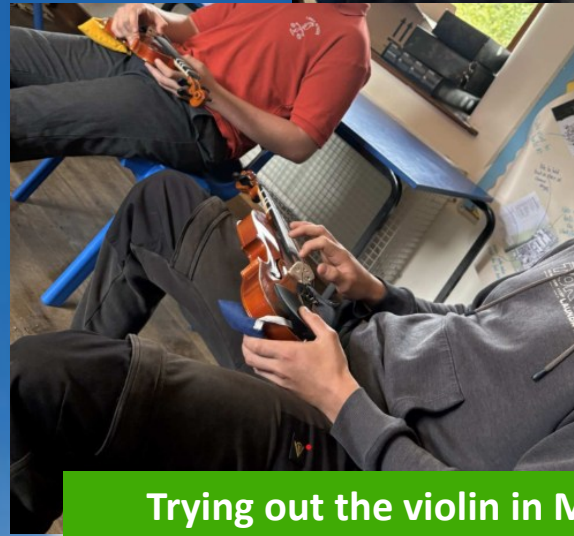

It has been wonderful to hear stories of friendships, watch his hand writing develop and positive feedback from him after days with you all.

Communication has been absolutely wonderful especially with my child's tutor.

I feel confident and comfortable to reach out when needed and I can tell she really has my child's best interest at heart.

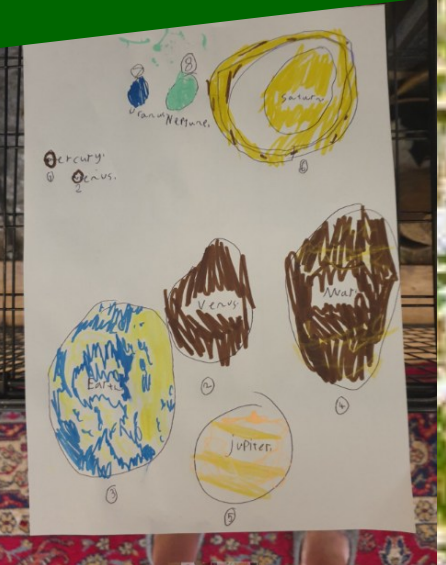

So thank you all for all that you do.

It is greatly appreciated and I always say I feel like I have won the lottery sending my child to you

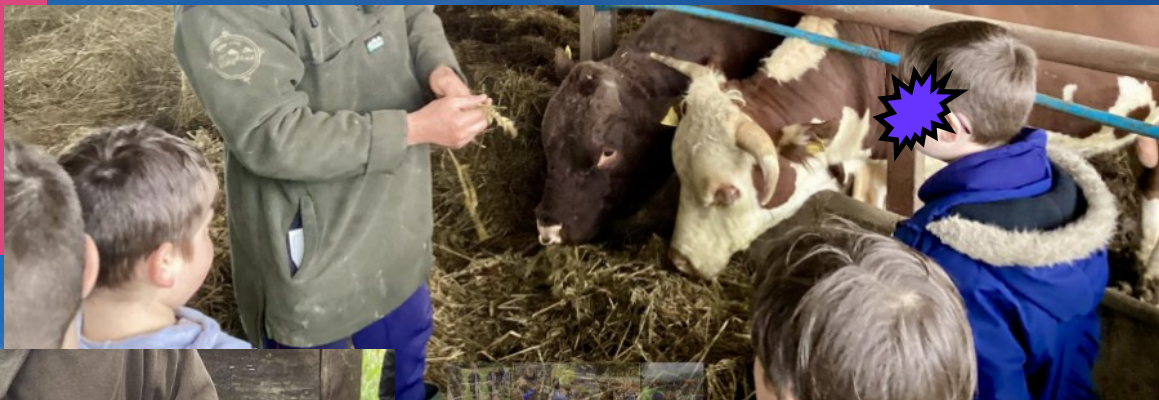

Trying out the violin in Music

Clay modelling and recreating the the solar system on home learning days

A visit to Essebeare Organic Farm to learn about cattle, hens, and feed the lambs

Enjoying time in the pool during the heatwave!

Fire Safety training in school

Playing the drums in a music workshop
